To whom it may Concern:

Rainwater Massage Studio joined Island Tradelink on November 5, 2006 and since then we have acquired many new clients and have earned over \$12,000.00 in extra revenue.

We have spent our trade credit with other members including over \$700.00 in wine making, \$1500.00 for a wedding reception at an upscale Victoria restaurant and \$3300.00 for vacation accommodations in Kauai, Hawaii. We have also had wonderful meals at various restaurants in town.

We would highly recommend membership in Island Tradelink to any business owner who is looking to increase sales. The transactions are very easy to process and we have also met some great fellow business people!

The staff at Island Tradelink are also wonderful and very helpful with all our needs.

Yours very truly,

Laura Bailey BA RMT
